## GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

*No. S. P. C.* 6071-82, *dated 6th October* 1931.

To

The Firms dealing in Salt Petre.

Gentlemen,

Salt Petre required for Dam Construction & No. I. Canal Division, Krishnarajasagara.

Please be good enough to intimate your best prices delivered f. o. r. Belagola for 4 tons of salt petre of KKK quality and also the earliest time within which the material could be delivered at destination if an order is placed.

The material should be *dry and free from impurities and should be packed in sound gunny bags.* The material will be required to be delivered in original packings and the prices to be quoted should include the cost of containers. The responsibility for losses in transit, if any, should be borne entirely by the suppliers. Payment will be made only for such quantities as may be actually received at destination.

The quotation should be accompanied by two pound samples of the materials offered and a certificate of analysis of the material offered should also be furnished. The cost of any counter tests that may be required to be made by the consignee in verifying if the material is of the quality contracted for, will have to borne by the suppliers.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Salt Petre KKK quality."

This enquiry will be closed on the 20th October 1931.

Yours faithfully,
M. S. RAMCHENDRA RAO,
*Secretary,*
*Stores Purchase Committee.*

*Specification and conditions of contract.*

1. The barrels or kegs should be constructed of lightest wood consistent with mechanical strength and should be provided with opening permitting easy emptying and refilling and be tightly closed against leakage.

2. They should be of 11-12 gallons capacity holding 1 cwt. of Turkey Red Oil.

3. The number required will be about 60 per month. This number is only approximate and the contractor will be required to supply more or less according to the orders of the officer in charge of the Industrial Laboratory at Malleswaram. The contract will be deemed to be limited to the number actually drawn.

4. All containers should be tested by filling with water before they are delivered.

5. The quotations should be for free delivery at the Factory.

6. Samples of the barrels or kegs should be sent for inspection, which will be returned.

7. Barrels which are supplied in unsound condition will be rejected and if frequent losses should occur on account of leakages due to inferior quality of the containers the contract may be annulled, purchases being made from other sources debiting the extra cost if any on that account to you.

8. This contract will be in force for a period of three months in the first instance and subject to renewal thereafter if supplies are found to be satisfactory.

9. The soundness of the barrels should be guaranteed for a period of six months from the date of supply. If any barrels should become damaged or leaky before the expiry of the guaranteed period the cost of such barrels will be recovered from the contractor from out of the security deposit to be furnished by the contractor.
